Police Cases. Yesterday there was a great deal of drunkenness on our streets and some fighting. The result was that the station house was full this morning, and the mayor had quite a lively hearing. Of those who were arrested for firing pistols, two were discharged on payment of costs and fine, and one was sent to jail for 2 days. Two drunks got 5 days each, one 20 days, and another 10. Five others charged with the same offence paid their costs and were discharged.

MEETING OF PRISON INSPECTORS.

Trouble About the Dismissed Watchmen. The board of prison inspectors met yesterday at 10 o'clock a. m., the following named members being present: Jacob Myers, John Overholtzer, Amos Rutter, John Miller and Jacob Wolf. J. L. Hoffmeier was absent. The board passed a number of bills and transacted some other routine business without difficulty, but as soon as they tackled the matter of the two watchmen dismissed by Keeper Weise, for alleged neglect of duty, they got into a snarl, and, after a rather spirited discussion, Messrs. Myers and Overholtzer (the Bull-Ring inspectors) withdrew from the meeting about 3 o'clock p. m. Messrs. Wolf, Miller and Rutter, however, proceeded with the investigation into the charges against the watchmen, W. L. Houck and Henry Rohrer, and came to the conclusion that the charge against themsleeping while on duty-had not been made out, and proceeded to reinstate them: Keeper Weise took exception to this action of the inspectors on the ground that three members of the board did not constitute a quorum. He said, however, that he would from Bowmansville, this county, that the yield the point if the inspectors or the solicitor would call on Judge Livingston and get from him an approving opinion. The inspectors at first seemed to agree to this, but without calling on the judge returned to the prison and reinstated Houck and Rohrer. Houck at once tendered his resignation on the ground that he was about to engage in business. The inspectors authorized Rohrer to go on duty and directed the clerk to receive the keys in the hands of Frederick Miller, who had ing of coal to the public schools of the been appointed watchman temperarily by city for one year were opened at the office Keener Weise. Rohrer, however, declined of John I. Hartman. The contract was to go on duty, saying the keeper was down awarded to Gorrecht, Reilly & Keller, at on him. Father Huber's First Mass.

A very large congregation assembled at St. Anthony's church, Sunday morning, to witness the first celebration of the mass by Rev. Father Huber, a native of this city, recently elevated to the priesthood. St. Michael's Beneficial society and St. Anthony's Franciscus society attended in a body in new uniforms and accompanied by the Citizens' band. Father Kaul, pastor of St. Anthony's, assisted Father Huber, and preached the sermon. Father H. Gans acted as deacon; Father Adam Christ as sub-deacon and Mr. C. Hegerich as master of ceremonies. Rev Fathers Hickey, of St. Mary's, this city, Duncan, of Bellefonte, and Foin, of Elizabethtown, were in the sanctuary.

Discharge Refused

This morning John Haberbush, who was committed to jail by the mayor for 15 days for raising a fuss at the Stevens house restaurant on Friday night was taken before Judge Patterson on a writ of habeas corpus and his discharge was asked for. There are charges of assault and carrying concealed weapons pending against the man, and his counsel contended that the offence for which he is now serving a sentence is merged in the charges on which he will be heard in court. After hearing the case the judge refused the discharge. and the man was remanded to prison.

The Paradise circuit of the U.B. church propose to hold a camp-meeting in Eberly's grove, situated near the road leading from Clay to Durlach, about equidistant from both places. It is to begin on Tuesday, August 24th, to continue one week.

OBITUARY. Death of Rev. M. C. Lightner.

The Reading Times of to-day says The sad intelligence is announced of the death of Rev. Milton C. Lightner, formerly Last evening Herbert J. Gast, a son of the rector of Christ Episcopal church in memories survive in the minds of the members of that denomination, although he had severed his official connection with generally to our older citizens. The reverend gentleman served a long pastorate in this city, where his children were born and grew up to manhood and womanhood, one of whom, the Rev. P. Baldy Lightner, received his education at our high school, and is now the rector of a parish at Oil City, this state. The departure of the Rev. Mr. Lightner for Binghamton was net Band. He was a faithful pastor and in every walk of this, no greater or higher tribute can be paid to the memory of any man."

Deceased was a native of Leacock township, this county, and a member of the ship, and uncle of Mrs. D. McMullen, Mrs. Eli Lybe and Mrs. M.B. Eshleman, of this city and county. He married a daughter of Mr. Peter Baldy, and leaves a family of children. He was formerly rector at Danville, and was there the Sunday school teacher of S. H. Reynolds, esq., of this city. Besides his engagements above noted he has been rector at Detroit. Michigan, and at Lock Haven, Pa. He was well-known here, and his friends hear with grief the news of his death.

A DESTITUTE FAMILY.

Kind Police Officers Take Care of Them. Last evening a man giving his name as Lewis Nelson, together with his wife and two children, went to the mayor's office, where Officer Fulmer was on duty. When they left home they had sufficient means-to pay their way to Philadelphia, but while in whether taken internally or applied externally Mifflin county they were robbed of all and thereby more certainly RELIEVE PAIN, their money and clothing. FOUND BLEEDING

A Man Who Says He Was Shot. Last night about 11 o'clock as Private Watchman James L. Messenkop was walking along Lime street, near East King, he found a young man named James Gable lying on a door step. Gable was bleeding freely from a wound in the head, and he said that he had been shot. He was taken to the office of Dr. King by Mr. Messenkop. The doctor examined the man's head and found a scalp wound such as might have been made by a pistol, the ball of which probably entered the skin at one side of the back of the head, passing out at the other. The wound is not serious. Gable declares that he was shot and says that he knows the man who did it.

On the 18th of May three hot-air balloons were let off at the clothing store of McLaughlin & Miller, on South Market square, Lebanon, with their business cards attached. J. B. Musselman writes to them card, with three small air batloons attached to it, was found July 1, 1880, in a grain field of Rev. Abraham Gehman, near that place, which is a southeastern direction from Lebanon, say 30 or 35 miles from Lebanon and 12 miles from Reading. The card is in good order, but the balloons are rotten and have the appearance of being exposed for some time.

Try Locher's Renowned Cough Syrup To Check Diarrhoea. Diarrhœa is a complaint that the human family suffer more from at this time of the year than from any other, and should be treated very carefully in order to restore the bewels to their proper strength. There is a wine made in New Jersey and sold by our druggists, called Speer's Port Grape Wine, which is being used very successfully in diarrhoa cases. In fact, it is conceded by chemists to contain just such proportions as gradually check the fermenting in the bowels and add tone and vigor to the system, so as to withstand the miasmatic climate against these prevealing complaints. The wine is rich in body and is an excellent tonic, keeping the functions of the bowels in their proper condition.—Evening Post. This wine is endorsed by Drs. Atlee and Davis, and sold by H. E.
